Before you pack your bags for international travel, come to the Travel Clinic!

If you travel abroad, you'll want to be in good health and ready for illnesses you might encounter on your adventures. Be sure to make a medical travel clinic your first vacation stop.

Dr. Sonja Maddox runs the PacMed Travel Clinic at our Renton clinic. She can be seen by appointment for:

- Complete pre-travel exams
- Immunizations
- Malaria prevention tips and medications
- Country-specific travel advice:
 - Safe food and water suggestions
 - Injury prevention and what to do when you're away from home
 - Medication suggestions

Dr. Maddox also sees children and checks their vaccinations for travel.

Whether you're an international backpacker or a relatively inexperienced traveler, the clinic can prepare you for a healthy trip.
